**Legacy Humane Veterinary Clinic (LHVC)** was established in 2024 with a mission to provide affordable, high-quality veterinary care to animals throughout the greater DFW area. We've treated thousands of animals in need—offering everything from routine wellness care to emergency surgeries. Our services include (but are not limited to): spay/neuter, vaccinations, heartworm treatment, FIV/FelV testing, broken bone repair, amputations, parvo treatment, bladder stone removal, diabetes care, and more.

As a 501(c)(3) nonprofit, we rely heavily on the generosity of donors and sponsors to sustain and grow our mission.

**Sponsorships play a vital role in helping us meet our annual budget and continue saving lives.**

We hope you will consider supporting our cause by selecting one of the sponsorship levels listed below. Your gift will directly benefit animals in need and offer your business or family prominent recognition before, during, and after the event.
